ASSEMBLY BILL

No. 1130

February 22, 2005

An act to amend Section 4519.7 of the Welfare and Institutions Code, relating to developmental services.

LEGISLATIVE COUNSEL'S DIGEST

AB 1130, as amended, Ruskin. Regional center employee liability.

Existing law, the Lanterman Developmental Disabilities Services Act, requires the State Department of Developmental Services to allocate funds to private nonprofit regional centers for the provision of community services and support for persons with developmental disabilities and their families.

Existing law, operative until January 1, 2006, limits the liability of a regional center employee for civil damages on account of an injury or death resulting from the employee's discretionary act or omission.

This bill would extend the repeal date until January 1, 2009.
